

WEDDING BROCHURE 2021

HELLO!

Welcome to my 2021/2022 brochure.

Here you will find some info about me, my work, prices and some optional extras.

Me. I have been photographing weddings for a decade and I can honestly say I love my job! To witness and document such an important and emotional event is a real privilege.

Photography has always been a passion of mine ever since I got my first camera for xmas at the age of 9. I have been a full time, fully insured, professional photographer for almost 15 years now and well over 300 weddings under my belt.

As well as shooting over 30 weddings a year, I'm also a commercial and motorsport photographer.

MY PHOTOGRAPHY STYLE.

I have a very relaxed and informal approach to wedding photography. Apart from a few posed shots, most of the photos I take are natural, undirected photos.

I love to use any local scenery or landscape as a backdrop for my photos.

I believe the best pictures are ones when people don't know they are having their photo taken! ...and I often go into "stealth mode" while taking shots at weddings!

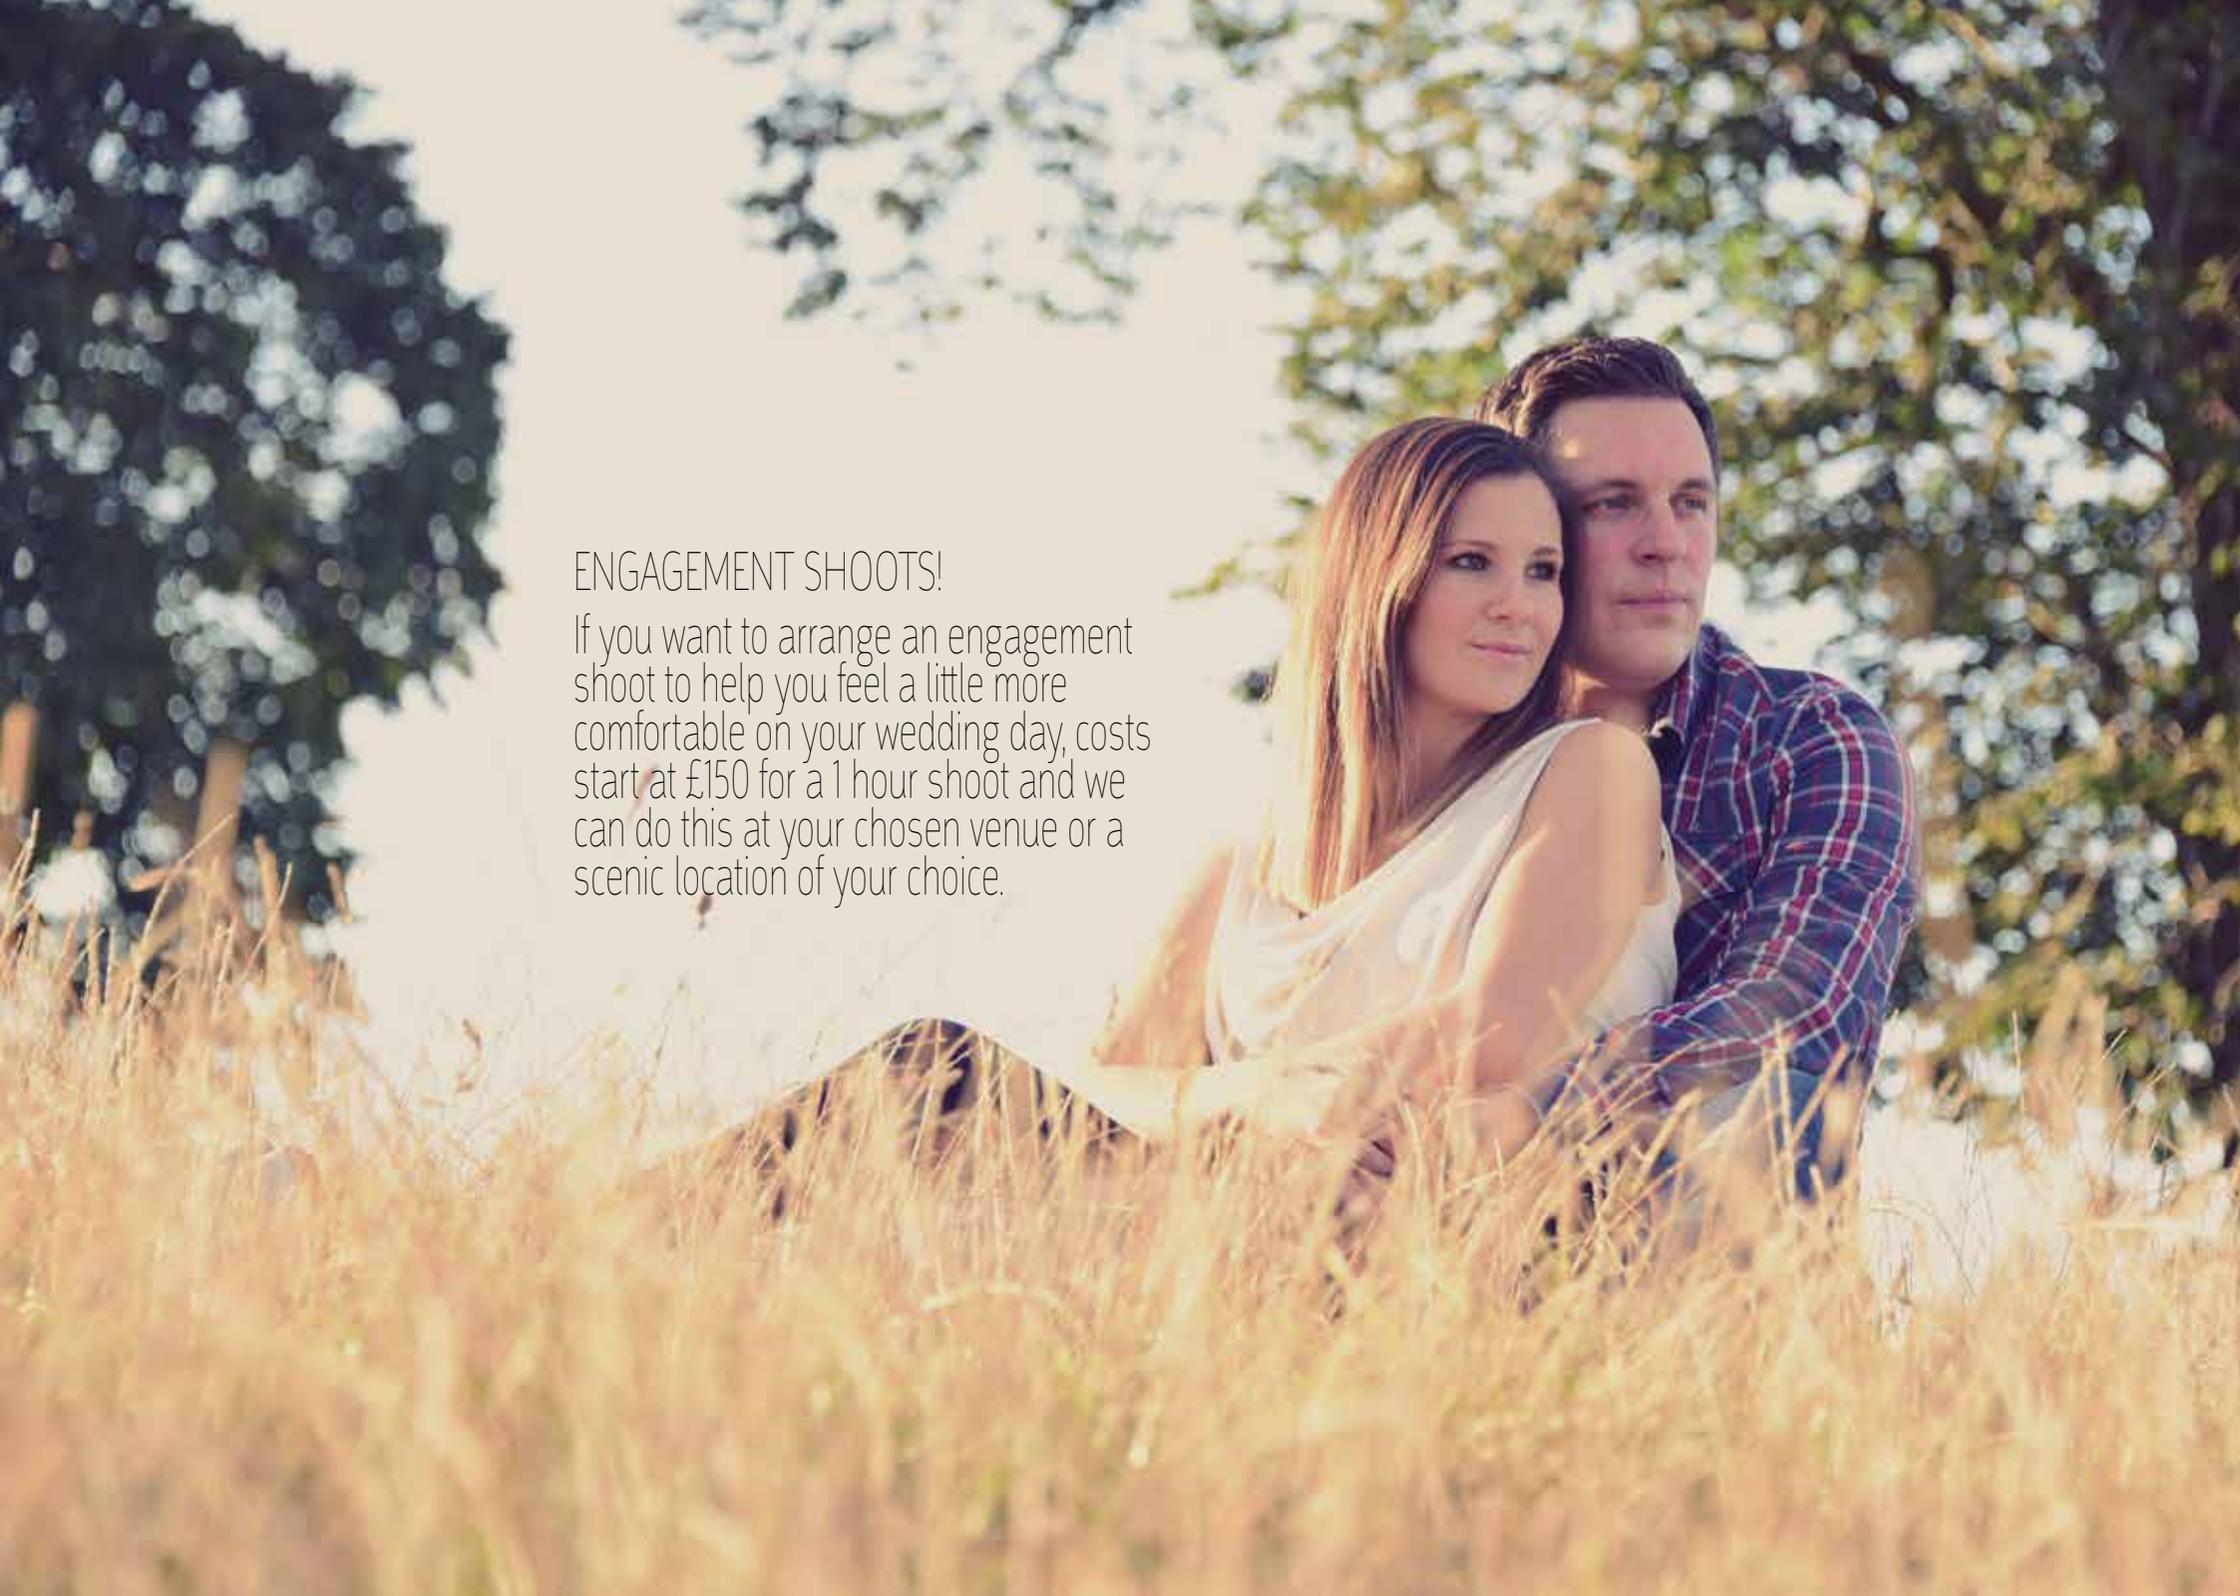

I like to use the golden hour (that gorgeous time of day just before the sun goes down) to get some extra shots in the evening if the schedule allows it.

I'm not a fan of having my photo taken and I understand other peoples anxieties too. I won't get "in your face" and I always try to be as unobtrusive as possible.

I like to be organised! I like a list of your required group shots in advance so I can organise myself to get them done with as little fuss as possible.

I love a good party and a full dance floor as this can produce some epic shots!

A romantic photograph of a couple sitting in a field of tall, golden grass. The woman is in the foreground, wearing a white sleeveless top, and the man is behind her, wearing a blue and red plaid shirt. They are both looking towards the camera with soft expressions. The background is filled with lush green trees, and the lighting is warm and golden, suggesting late afternoon or early morning.

ENGAGEMENT SHOOTS!

If you want to arrange an engagement shoot to help you feel a little more comfortable on your wedding day, costs start at £150 for a 1 hour shoot and we can do this at your chosen venue or a scenic location of your choice.
